

Join Us

for a **fun, interactive evening** focused on the Diabetesity Crisis, and the power of an integrative approach to therapies and treatment.

Thursday, May 30, 2024
6:30 PM – 8:30 PM

Perry's Steakhouse
1780 E Golf Rd
Schaumburg, IL, 60173

What to Expect:

Get an expert view of the fast changing landscape of obesity and diabetes and plug into the power of an integrated approach to Diabetesity treatment.

- Hear about the latest developments in medical and surgical management of diabetesity and new approaches to treatment.
- Learn about the key role of nutrition guidance in patient-centric metabolic treatment plans.
- This activity is designed to address the following core and team competencies: Patient Care and Medical Knowledge.
- Update your knowledge on both options and outcomes for current medical and surgical treatments for obesity and diabetes and embrace a unified approach.

Meet the Inspiring Voices in Diabetesity Care:
