

Advanced Breast Ultrasound with Shearwave Elastography

CME Dinner Symposium

Tuesday, January 24, 2023 - 6:00 - 7:30 PM

Capitol Grill
5197 Big Island Drive
Jacksonville, FL

FACULTY

Stacy A. Smith-Foley, MD

Medical Director
The Breast Center at CARTI
Little Rock, AR

Dr. Stacy Smith-Foley is a fellowship trained Breast Imager. She is board-certified in Diagnostic Radiology and is the Medical Director of the Breast Center at CARTI. Dr. Smith-Foley has a core focus in breast imaging with extensive experience in 3D mammography, breast MRI, breast ultrasound, evaluation and management of high-risk patients, genetic screening, and breast interventional procedures. She has presented in national and international meetings and has participated in clinical research and multiple reader studies. Her professional goal is to assist her clinical colleagues in optimizing a multidisciplinary approach to patient care.

ACCREDITATION

In support of improving patient care, Ciné-Med is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

PHYSICIANS – Ciné-Med designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

TECHNOLOGISTS

This activity is approved by ASRT for 1.0 Category A Credit.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

AGENDA

- 6:00 PM - Reception
- 6:30 PM - Dinner and Presentation
- 7:15 PM - Questions and Answers
- 7:30 PM - Adjourn

LEARNING OBJECTIVES

- Discuss the evolution of advanced ultrasound technology in imaging of the breast
- Describe the impact and utility of advanced ultrasound tools
- Describe the use of advanced ultrasound techniques in breast imaging
- Review cases of shearwave elastography and microvascular technology

TARGET AUDIENCE

This activity is designed to meet the educational needs of Ob-Gyns, referring physicians, radiologists and technologists performing ultrasound.

ACTIVITY GOAL

This activity is designed to address the following core and team competencies: Patient Care, Medical Knowledge, and Interprofessional Collaboration.

This activity is supported by an educational grant from Hologic.
